<i>Johannesburg, South Africa</i> | Nov 2024 - Present |
| <ul style="list-style-type: none">• Develop and maintain clean, efficient code for web applications.• Collaborate with team members on full-stack development projects.• Contribute to problem-solving, debugging, and code reviews to ensure quality software delivery. | |
| Software Engineer Intern (Volunteering), Hiteknoology Solutions
<i>Pretoria, South Africa</i> | Aug 2024 - Oct 2024 |
| <ul style="list-style-type: none">• Supported the development of software solutions in a collaborative team.• Learned from senior developers by observing coding practices and applying feedback.• Improved adaptability in diverse team environments. | |
| Microsoft Security Student, Netcampus Group
<i>Pretoria, South Africa</i> | Apr 2024 - Oct 2024 |
| <ul style="list-style-type: none">• Acquired cybersecurity knowledge including cloud security and identity management.• Gained multiple certifications (SC-300, AZ-900).• Applied security best practices to real-world scenarios. | |

EDUCATION

Diploma in Information Technology in Software Development

Jan 2021 - Dec 2023

IIE Rosebank College

- Relevant coursework: Software Development, Project Management.
- Leadership Role: Class Representative – acted as liaison between students and faculty.

National Senior Certificate

Jan 2015 - Dec 2020

Pretoria Technical High School

PROJECTS

AiChef | *React.js, Tailwind CSS, Gemini AI*

- Built an AI-powered recipe generator that suggests meals based on user-provided ingredients.
- Integrated Google Gemini API to deliver intelligent recommendations.
- Designed a responsive, modern interface using Tailwind CSS.
- [GitHub Repository](#).

Finance Lab | *React.js, Node.js, PostgreSQL, JWT Auth*

- Developed a finance management app with secure login and authentication.
- Implemented backend services for managing user accounts and transactions.
- Designed intuitive dashboards for tracking and managing finances.
- [GitHub Repository](#).

Personal Portfolio Website | *React.js, Tailwind CSS*

- Created a responsive personal portfolio to showcase projects and skills.
 - Designed clean layouts with Tailwind CSS for modern UI.
 - Deployed project to make it publicly accessible.
 - [Active Site](#)
-

CERTIFICATIONS

- Microsoft Certified: Identity and Access Administrator Associate (SC-300)
 - Microsoft Certified: Security, Compliance, and Identity Fundamentals (AZ-900)
-

ADDITIONAL INFORMATION

- Passionate about continuous learning and staying up to date with emerging technologies.
- Interested in career growth as a Full-Stack Developer and long-term goals of contributing to data-driven and secure software solutions.
